---	---

1.0 PURPOSE

To provide Health and Hygiene inspection process steps for QatarEnergy-IS and QatarEnergy-IS Contractor facilities.

2.0 SCOPE AND APPLICABILITY

This Procedure applies to QatarEnergy-IS operated facilities, including production platforms, IS Halul facilities, accommodation barges, IS Laffan facilities and vessels in the QatarEnergy-IS operating field.

3.0 ROLES AND RESPONSIBILITIES

OCCUPATIONAL HEALTH & PARAMEDIC (OHP)

- Conducts on-site health and hygiene inspections.
- Informs Camp Boss of any deficiencies and work requests needed to correct them.
- Follows up any health or hygiene deficiencies and report deficiencies to the Offshore Installation Superintendent (OIS) or Senior Site Supervisor.

SITE SUPERVISOR

- Ensures health and hygiene inspections are undertaken as required.
- Ensures any health or hygiene deficiencies are actioned for correction when necessary.

CAMP BOSS

- Raises work requests to correct any deficiencies found during H&H inspection.

SAFETY OFFICER

- Follows up any safety related issues noted in Appendix A H&H audit form. Remote HSE advisors shall review contractor's self-inspections and shall submit QatarEnergy-IS reports within a reasonable time period of the inspection.

INDUSTRIAL HYGIENIST (IH)

- Reviews reports and make recommendations when specific occupational health guidance is needed or requested, for deficiencies identified in the health and hygiene reports from production platforms and accommodation barges.
- Reviews reports from supply vessels, workboats and other vessels and follow up any deficiencies that have not been completed in the HSE tracking system.

OFFSHORE INSTALLATION SUPERINTENDENT (OIS)

- Has overall responsibility for the Health, Hygiene and safety of field operations.

	IS HEALTH & HYGIENE INSPECTION PROCEDURE DOC. NO. IS-HSE-PRC-019	REV. 02
---	---	----------------

4.0 PROCEDURAL STEPS

4.1 PRODUCTION PLATFORM INSPECTIONS

Inspections of Production platforms shall be conducted monthly by the OHP/Safety officer or QatarEnergy-IS Representative utilizing the Health and Hygiene (H & H) audit Form, Appendix A. Completed reports shall be submitted to:

- Senior Site Supervisor
- Safety Officer
- Service Contractor/ Camp boss
- Industrial Hygienist

4.2 CONTRACTOR WORKBOATS AND ACCOMMODATION BARGES

Contractors shall perform monthly self-inspections of work vessels in the QatarEnergy-IS operating fields and accommodation barges. Copies of self-inspections shall be kept and made available for QatarEnergy-IS review quarterly. An inspection by the QatarEnergy-IS Site Supervisor, Remote Safety Officer or his delegate shall be done and reported utilizing Appendix A (H&H audit form).

Completed reports shall be submitted to:

- Senior Site Supervisor
- Service Contractor
- Industrial Hygienist

4.3 QatarEnergy-IS ONSHORE FACILITY INSPECTIONS

Inspections of Onshore Facilities by the IH or designate may be conducted as requested. A completed report (Appendix A H&H audit form) shall be submitted to the requesting manager and IH.

4.4 TRACKING ACTION ITEMS FROM H&H AUDITS

Action items identified during the H&H audit shall be tracked in the HSE action tracking system.

4.5 SUSPECTED FOOD BORNE ILLNESS

If a food borne illness is suspected and employees/contractors are displaying signs and symptoms consistent with a food borne illness a stool sample shall be obtained from the infected person as per instructions from QatarEnergy Medical Department (BH).

5.0 REFERENCES TO OTHER DOCUMENTS

Document Title	Document Number	Internal/External Document (if any)	Document Referencing
