	QatarEnergy-IS GUIDELINE FOR SITE VISITS BY MIDDLE MANAGEMENT DOC NO: IS-HSE-GDI-004 REV. 00
---	---

1.0 PURPOSE

Guide the execution of QatarEnergy-IS Middle Management site visits. The objective of these visit is to raise management commitment and increase lines of communication between Onshore and Offshore teams.

2.0 SCOPE AND APPLICABILITY

- Applicable to both onshore and offshore sites of QatarEnergy-IS Asset.
- Department Managers should encourage their Mid-level Management team to take part in this initiative.
- Operational Mid-level Management should plan the visit as well as share feedback / comments and observations of their visit to department secretaries
- Department Secretaries to compile data on date of visit, location and attendees and number of SOC's.
- All data to be shared on a monthly basis no later than the 3rd of each month to OIH focal point. Observations are to be shared using the SOC card program.

3.0 GUIDELINE

- All Operational Middle management which includes Assistant Managers and Heads, are required to visit QatarEnergy-IS sites both onshore and offshore.
- These visits are to be conducted every 4 to 6 weeks with a minimum of 8 visits per annum. The team shall plan the visits around their availability as delegation visits will not be counted.
- During the site visit, the following should be the key focus area:
 - The area to visited should be around operation tasks on the site so that the visiting personal can be part of the site team and can discuss issues or concerns with the work force as well as potentially come up with a better method for the next similar work scope.
 - Join in TBT meetings and PTW review meetings.
 - Conduct team discussions with respective departments work any concerns including welfare.
 - Communicate HSE topic to be used to improve the safety of respective department.
 - Take part in SOC program by submitting 2 Safety observations (SOC) per visit.
 - Use the check list as guidance or any of the inspections within I-auditor that are available on site or within K drive K>Cross ISND>Site Visit Checklist
 - Line Management may use the checklist as per Appendix – C.
 - Determine the findings and recommendation in SOC card and submit them to HSE / Site representative for integration in SOC follow up system.
- Non-Operational (Business, Procurement, Budget activity) Middle Management should visit the sites on voluntary basis and should follow similar guidelines, when they do the visits.
